COMIC

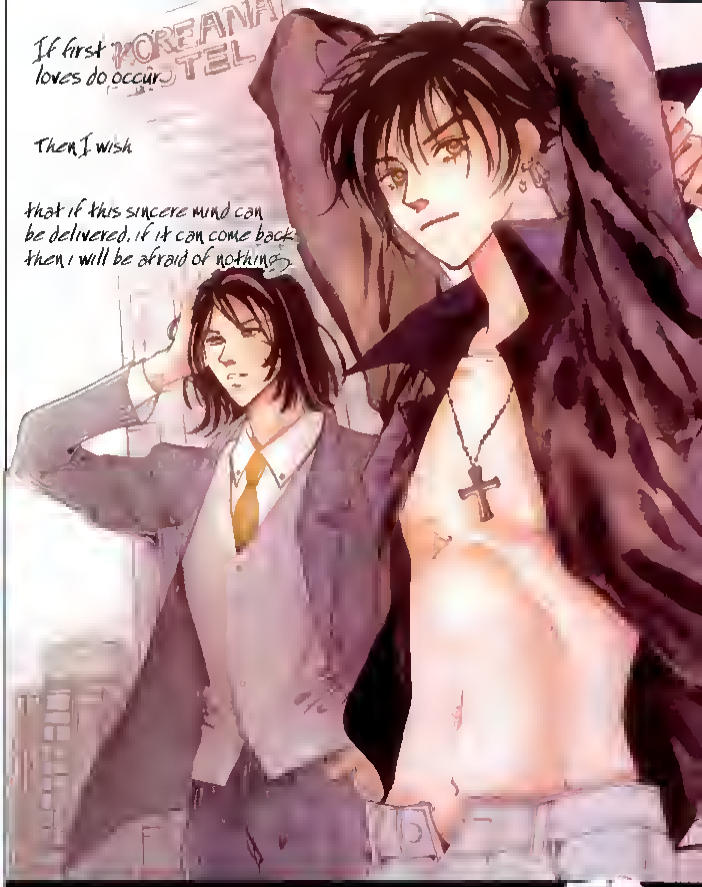
The Story of Young Citizen
New Generation.



If first loves do occur
Then I wish
that if this sincere mind can be delivered, if it can come back then I will be afraid of nothing.

하시현

COMIC
The Stor of Young Citize
New Generation.
Hope, expectations, misunderstandings
Three colors,
Three dreams.
I did my best but i'm scared
My incompetence for unknown desire
My diffused mind is a piece of
broken glass.
Now I know
That one day you were standing
behind me.

황신엽
유신오
문희령
마유진

Like the passing rain,
first love moistens us
before it leaves.
Sometimes, I don't know
Who is it that you want?

I miss you and I love you.
Trapped inside a mirror is my image
If it was a solvable equation
someone would have told me

But I can't give up
I like my honest side

If I can have you...

We Are Starting Now!!
Hold On!!

Fate? I don't believe in Fate.
If my fate was already decided, then I wouldn't have to make any effort.
Going to school like everyone else, normal job, normal marriage.... I don't like it. Because it's not fun. I like to stand out.
You'll see! While swimming in this wide universe, I'll shine like the stars. I will draw out all my personality!

squirt

We will be giving you a Color TV as a prize.

This is somewhat every intense. The lady looks very angered... Hahaha, even her ears are turning red.

Ah! Suddenly it's a war of spraying water! The gentleman looks like he can't take it anymore. It's becoming a serious fight.

At this moment, another gentleman comes in, but he gets an uppercut!
BAM
The gentleman is trying to catch up to the crying lady. Yes~ It's almost like a drama scene
Is her relationship between the two gentlemen a love triangle? I wonder what will happen to these three s relationship
